### MESSAGE FROM THE HEAD

Last Monday we held our first Parent Forum and we are grateful to the parents who gave up their time to attend. It was a successful first meeting and was an opportunity for parents to raise issues or questions that they had, whilst also an opportunity to reinforce some of the positive things too. Communication was discussed, as were events for different ages of children that we run throughout the year. It was also considered how we ensure that we build in opportunities to develop our participation in events across the town and with other schools. Other topics included the playground and school dinners. It was a real mix!

At the moment, these meetings are likely to run termly so we will let you know the date for the next one in the next couple of weeks. We will also place a suggestion box in the foyer so that you can drop your questions in should you not be able to attend the meetings. Minutes from these meetings will also be shared with you but any parent is welcome to attend.

It was also lovely to see KS1 dressed up in their outfits for their History off the Page day on Monday. They learnt so much and participated well in the different activities. Photos can be found on our website or by clicking the picture here:

Have a lovely weekend.

### The Need Project

A reminder from our Pupil Parliament:

We are collecting food for the Need Project. There is now a basket in the main entrance and we would be very grateful if you could send in donations of tinned food or packets that you can spare so that we can make a start to helping those less fortunate than ourselves.

Thank you.

## Spiritual, Moral, Social, Cultural Snapshot

Juniper have been thinking about, and discussing what we are thankful for in our lives such as friendship, families and food.

We have made apples and pumpkins of thoughtfulness that show what we are individually thankful for.

Maple Tree's value for October is thankfulness and we will be using our pumpkins and apples as part of the schools value board display.
